**NextHome opens office in Columbus, Indiana**  
*NextHome App Realty is the 3<sup>rd</sup> franchise in the state*

**Pleasanton, CA— February 28, 2017** — NextHome is proud to announce our newest addition to the NextHome franchise – **NextHome App Realty**. This represents the 3<sup>rd</sup> NextHome office location in the state of Indiana.

Based out of Columbus, NextHome App Realty will be led by brokers Tony Purkey and Devin Tudor. The brokerage will provide real estate services such as residential sales, land sales, luxury home sales, investment property sales and purchases for first time homebuyers.

The brokerage will serve the residents of Columbus, Fishers, Carmel and Southern Indianapolis. The city of Columbus is located 40 minutes south of Indianapolis and is home to over 45,000 residents.

NextHome App Realty will represent a high-tech, high-touch real estate service for their clients. With Purkey coming from an IT background, he found NextHome to be exactly what they wanted in a real estate franchise.

The lifelong friends came together to run a business and wanted to partner with a company which had the vision and technology focus they find valuable in today's real estate landscape.

"Over the past five years, we looked for a franchise that was new, innovative and would think outside of the box," recalls Purkey. "We were not interested in pursuing any franchise until we found NextHome."

"NextHome App Realty will provide our community with a real estate brokerage that will be different by providing a unique technology based experience, while still maintaining our Midwest traditional values," added Purkey.

Please join us in welcoming Tony, Devin and the rest of her team at NextHome App Realty for the opening of their brand new NextHome brokerage!
