NextHome Sampson Realty opens in Michigan
Miles Sampson launches his brokerage in Livonia, MI

Pleasanton, CA — February 13, 2018— NextHome is proud to announce our newest addition to the franchise, **NextHome Sampson Realty**. The brokerage represents the sixth location opened in the state of Michigan for the NextHome franchise.

Based in Livonia, the company will be owned and operated by real estate broker Miles Sampson. NextHome Sampson Realty will provide real estate services such as single family residential sales, first-time home buyers, multi-family properties, investment sales and commercial to the areas of Livonia, Plymouth, Northville, Novi, Ypsilanti, Monroe, and the remainder of Wayne County.

With a population of nearly 100,000, the city of Livonia is located 15 miles Northwest of Downtown Detroit.

Sampson has been in the real estate industry since 2007. Starting as an assistant to a high-producing REALTOR®, he handled all details of the transaction from contract to close. With a specialization in streamlining the escrow process, Sampson was a valuable member of the real estate team.

In 2009, Sampson took a role as an Assistant Market Center Coordinator for a local *Keller Williams Realty*. With responsibilities such as accounting and management of the entire brokerage's transactions, Sampson quickly learned how to handle dozens of transactions at any given time. While fulfilling, Sampson wanted to take his talents to the sales side.

In 2011, Sampson made the move to full-time REALTOR® and over the next six years, he steadily built a very successful real estate business.

In late 2017, Sampson felt that after nearly a decade in the real estate industry, it was time for him to open his own brokerage. Understanding the value of leverage, he looked to partner with a franchise that aligned with his values and brokerage needs.

“I found NextHome through a simple Google search,” said Sampson. “I loved the consistent branding. Considering I see so many companies not have branding standards, it was really appealing to find a franchise that held the line with this.”

When not selling real estate, Sampson volunteers for Bethany Christian Services, where he works with foster/adopting parents. As an instructor for the foster care skills class, Sampson helps families adapt to provide a home for these children.

Sampson loves spending time with his wife of seven years (and college sweetheart), Sarah. They have a two-year-old son, Elliott. The couple enjoy playing a unique card game with their friends called “Euchre” (pronounced Uke-Er).

Please join us in congratulating Miles and the rest of the team at NextHome Sampson Realty on the opening of their brand new NextHome office in Livonia, MI!
