NextHome Golden Isles Group opens in Brunswick, Georgia
Sylvia and Adam Myers open their second NextHome office

Pleasanton, CA — December 28, 2018 — NextHome is proud to announce our newest addition to the franchise, **NextHome Golden Isles Group**. The brokerage represents the fifth office location opened in the state of Georgia for the NextHome franchise.

The company will be owned and operated by husband and wife team, Sylvia and Adam Myers. Sylvia will be the broker of record and handling all day-to-day sales and agent leadership duties, while Adam will serve as the Operations Manager for the brokerage.

This is the second NextHome office location for the Myers. They opened their Warner Robins, GA office in August of 2018. Having success with their first office, along with agent relationships in the Golden Isles area, Sylvia felt it was the right time to expand.

NextHome Golden Isles Group will provide real estate services such as single-family residential sales, first-time home buyers, second homes, investment, luxury, veteran and military relocation, and land deals for the areas of Brunswick, St. Simons, Jekyll Island, St. Marys, and the remainder of the Golden Isles coast.

Sylvia is a graduate of Middle Georgia State University and holds degrees in both Psychology and Public Service.

Licensed since 1997, Sylvia has been a longtime top-producing REALTOR® in Georgia. She worked for 13 years as a *RE/MAX* agent. In her first full year in real estate, she sold nearly \$3 million in volume where the average sales price was \$120,000 at the time.

In 2000, she opened *Hometown Realty*, where she was the broker/owner of the business. After building up a successful brokerage, she sold the company a few years later and moved to *EXIT Realty* where she served as the sales manager for the brokerage.

Sylvia met Adam in 2004 and the couple married in 2014. Adam is also a graduate of Middle Georgia State University and holds a degree in Business Management and Information Technology. With Adam's background and education, he is excited about leading the operations for the brokerage and helping agents be as productive as possible.

He is also the owner/operator of *180 Home Construction*, which will provide inventory for the brokerage. Managing 20 to 30 rehab construction projects a year, Adam's vast experience in construction will be a huge asset to the brokerage.

When Sylvia and Adam started the discussion of going out on their own, they had already kept an eye on the NextHome franchise for some time.

“I can say that I’ve been stalking NextHome for some time now,” said Sylvia with a laugh. “I loved the branding and saw how it resonates with the younger generation of home buyers and sellers.”

Just like their other office location, NextHome Golden Isles Group will be a community resource to not only help people buy and sell homes but offer information on the entire process. The agents will provide valuable education that will make their clients feel knowledgeable about the entire home buying and/or selling process.

Sylvia and Adam are committed to helping their community. They have participated in several *Habitat for Humanity* home builds and are very active within their church.

When not selling real estate, the two of them are very involved in the world of gaming. They are prominent online players of World of Warcraft and enjoy the online interaction with players from around the globe.

Sylvia is also an author and has a children’s book scheduled to be released in the beginning of 2019.

Please join us in congratulating Sylvia, Adam and the rest of the team at NextHome Golden Isles Group on the opening of their new NextHome office in GA!
