NextHome AVL Realty opens in Asheville, North Carolina

Owner Lynn Miller Bosler combines generations of area knowledge with NextHome's cutting-edge technology

Pleasanton, CA — October 1, 2021 — NextHome is pleased to announce the newest addition to the franchise, **NextHome AVL Realty**, based in Asheville, North Carolina. The brokerage represents the 525th office to join the NextHome franchise out of 538 active office locations across the country.

Located just two hours west of Charlotte, NextHome AVL Realty is poised to provide exceptional sales service to both residential and commercial clients.

NextHome AVL Realty will serve clients in Marion, Hendersonville, Fairview, and Asheville as well as the remainder of Buncombe, Madison, Haywood, Transylvania, and Henderson counties.

The brokerage is owned by sixth-generation Fairview local Lynn Miller Bolser.

Lynn obtained her real estate sales license in 2007 and began selling full-time in 2012. She set herself apart at her Keller Williams brokerage through client-centered hard work, and was named Rookie of the Year in an office of more than 300 agents. Lynn has also been recognized several times by the Land of the Sky Association of Realtors as a Top 100 producer in an association of more than 1,500 agents.

Lynn started her career on a team, then quickly became her team's lead buyer's agent.

After five years, Lynn joined Nest Realty where she continued to build a reputation for client-centered excellence.

"I really enjoy the process of selling and working with clients," Lynn said. "I love mentoring people and working with them to meet their growth goals."

As her career evolved, Lynn had a vision of creating a small, family-like agency where she could help other people succeed.

"I was looking for the next challenge," Lynn said.

She started looking into real estate franchises and, through a quick internet search, discovered NextHome.

"I immediately connected to this company," Lynn said. "The marketing is a great fit for our area. It is super vibrant while also staying relatable. I also loved NextHome's luxury division and the added service level it can provide for my luxury clients."

Now as the owner of NextHome AVL Realty, Lynn is excited to offer her clients captivating marketing for their properties, combined with her own years of area expertise.

For agents, NextHome AVL Realty offers a vast suite of tools and training.

“NextHome AVL Realty will be a very approachable brokerage,” Lynn said. “I am as hands-on as any new agent wants me to be when it comes to training. For established agents looking for a new brokerage, NextHome offers all the tools and technology that they want.”

Lynn’s roots in the area run deep. Her family has lived on the same property since 1876, and her children will be the seventh generation to live in the house.

“We have roots in the community, and we want to do the right thing because we love it,” Lynn said. “NextHome AVL Realty operates with a commitment to excellence, and we will market our clients property with that commitment to excellence.”

Lynn and her husband Michael are the proud parents of three kids: Emily (21) is a senior at the University of Tennessee, Max (19) is a sophomore at Johnson University in Tennessee, and Luke (16) is a sophomore in high school.

“They have been my ‘why’ for everything I’ve done in real estate,” Lynn said. “I am so glad to be able to give them an example of what hard work and integrity look like.”

Outside their community, the family enjoys traveling and seeing different cultures. They have taken their children on mission trips to South Africa and Nicaragua.

Please join us in congratulating Lynn and the entire team on the opening of NextHome AVL Realty!
