With this addition, the brokerage is poised to professionally serve clients throughout Houston's entire Northeast Corridor

Pleasanton, CA — August 10, 2023 — NextHome is proud to announce the expansion of **NextHome Premier Homes Realty** with a new office in Crosby, Texas. This will be the third office addition for owners Rita and Keyvan Zarghami. Rita and Keyvan are building on the remarkable success of two additional NextHome offices in Humble and New Caney, Texas.

NextHome Premier Homes Realty's Crosby office is a dream come true for Rita, who spent her childhood in that area and now gets to offer exceptional real estate services to her beloved hometown.

"When my father moved to Crosby, he told me he loved the area's small-town feel," Rita said. "It's an honor to help new families discover Crosby and be a part of their journey. NextHome Premier Homes Realty is a fresh and modern option for clients looking for a personalized and innovative approach to buying or selling real estate."

NextHome Premier Homes Realty (Crosby) offers expertise in both residential and commercial transactions. The brokerage is unique in the area for also offering in-house mortgage lending services through 1st Community Mortgage, with a dedicated sales/lending liaison.

Rita will be the broker of record and in charge of all day-to-day operations. Rita's husband Keyvan Zarghami will serve as an in-house mortgage consultant and liaison.

Conveniently located in the Houston Metro area, NextHome Premier Homes Realty (Crosby) serves clients throughout Lake Houston, Atascocita, Kingwood, North Channel, Humble, Huffman, Baytown, Dayton, Splendora, Spring, Tomball, The Woodlands, Cleveland, Mont Belvieu, and the remainder of Houston-Sugar Land-Baytown metropolitan area.

NextHome Premier Homes Realty offers a unique and personalized experience for clients with a focus on technology and design. The NextHome Premier Homes Realty (Crosby) real estate services offer virtual office with online capabilities to cater to clients' needs in the digital age.

"NextHome Premier Homes Realty is committed to providing exceptional customer service and works closely with clients to help them achieve their real estate goals," Rita said. "With access to the latest real estate technology, we provide clients with up-to-date information on the local market, including property listings, price trends, and more."

Combining NextHome's technology and Rita's expertise, the brokerage is poised to offer unparalleled real estate services.

Licensed since 1994, Rita has been a longtime top-producing REALTOR® in the Houston area. After nearly 10 years of high-volume sales, Rita opened her own brokerage in 2003 – Red Stone Realty LLC.

During the recession in the late 2000's, Houston and surrounding areas were hit extremely hard. Pivoting to adjust to the market conditions, Rita agreed to take over as the Sales Manager for the local Humble Century 21 brokerage, while still actively producing as a selling REALTOR®. Managing 20 agents, Rita guided the brokerage to a very productive office in the midst of an extremely challenging financial time for the state of Texas.

In 2013, Rita went back to running her own brokerage. Changing the brokerage name to Premier Homes, she grew the company to 10 REALTORS® and a large portfolio of listings. But Rita knew she needed more to provide to her agents.

That's when she discovered NextHome.

“NextHome is centered around relationship building,” Rita said. “Everything from member services to the technology they offer is designed with the client in mind. NextHome's approach aligned perfectly with my own. We truly treat our clients as people and not just a sale. We want to build deep relationships with the families in our community. Our agents are client-focused and hold the highest standards. Ethics and honesty are key to earning the trust of our clients and community.”

NextHome Premier Homes Realty in Humble opened in 2018 and the New Caney office opened earlier this year.

“This new NextHome Premier Homes Realty real estate office in Crosby is an exciting addition to the local real estate market,” Rita said. “As part of the NextHome franchise, Premier Homes Realty offers a modern and innovative approach to buying and selling homes. We are a cutting-edge option for those looking to buy or sell property in the area.”

When not selling real estate, Rita and Keyvan look forward to spending time with their family. They have three children – daughter Akila, and two sons – Jeremiah and Keyvan Keyanoosh. They also have seven grandchildren – Alyssa, Joshua, Jacob, Isabela, Kaiden, Jayden, and Jackson.

Rita loves to cook for the family, while Keyvan is a Corvette enthusiast and attends as many car shows as possible.

Please join us in congratulating Rita and Keyvan on the opening of NextHome Premier Homes Realty's newest office in Crosby, Texas!
